[2] A/56/887.

Recalling further Security Council resolution 1031 (1995) of 15 December 1995, in which the Council decided to terminate the mandate of the United Nations Protection Force on the date on which the Secretary-General reported that the transfer of authority from the United Nations Protection Force to the Implementation Force had taken place,

Recalling the letter dated 1 February 1996 from the President of the Security Council to the Secretary-General[3] informing him of the Council's concurrence in principle that the United Nations Preventive Deployment Force should become an independent mission,

Recalling also General Assembly resolution 46/233 of 19 March 1992 on the financing of the United Nations Protection Force and its subsequent resolutions and decisions thereon, the latest of which was resolution 55/265 of 14 June 2001,

Reaffirming that the costs of the combined Forces are expenses of the Organization to be borne by Member States in accordance with Article 17, paragraph 2, of the Charter of the United Nations,

Recalling its previous decisions regarding the fact that, in order to meet the expenditures caused by the combined Forces, a different procedure is required from that applied to meet expenditures of the regular budget of the United Nations,

Taking into account the fact that the economically more developed countries are in a position to make relatively larger contributions and that the economically less developed countries have a relatively limited capacity to contribute towards such operations,

Bearing in mind the special responsibilities of the States permanent members of the Security Council, as indicated in General Assembly resolution 1874 (S-IV) of 27 June 1963, in the financing of such operations,

Noting with appreciation that voluntary contributions have been made to the combined Forces by certain Governments,

Mindful of the fact that it is essential to provide the combined Forces with the necessary financial resources to enable them to meet their outstanding liabilities,

1. *Takes note* of the status of contributions to the combined Forces as at 30 April 2002, including the contributions outstanding in the amount of 204 million United States dollars, representing some 4 per cent of the total assessed contributions, notes with concern that only one hundred and four Member States have paid their assessed contributions in full, and urges all other Member States, in particular those in arrears, to ensure payment of their outstanding assessed contributions;

2. *Expresses its appreciation* to those Member States which have paid their assessed contributions in full;

3. *Expresses concern* at the financial situation with regard to peacekeeping activities, in particular as regards the reimbursements to troop contributors that bear additional burdens owing to overdue payments by Member States of their assessments;

[3] S/1996/76.

4. *Also expresses concern* at the delay experienced by the Secretary-General in deploying and providing adequate resources to some recent peacekeeping missions, in particular those in Africa;

5. *Emphasizes* that all future and existing peacekeeping missions shall be given equal and non-discriminatory treatment in respect of financial and administrative arrangements;

6. *Also emphasizes* that all peacekeeping missions shall be provided with adequate resources for the effective and efficient discharge of their respective mandates;

7. *Endorses* the recommendations contained in paragraph 82 of the report of the Advisory Committee on Administrative and Budgetary Questions;[2]

8. *Decides* to credit Member States the amount of 95,978,945 dollars subject to the provisions of paragraph 6 of General Assembly resolution 56/292 of 27 June 2002 on the strategic deployment stocks;

9. *Decides also* that the remaining cash balance of 39,286,278 dollars shall also be credited to Member States;

10. *Decides further* to suspend for the immediate future the provisions of regulations 4.3, 4.4 and 5.2 (*d*) of the Financial Regulations of the United Nations in respect of the remaining surplus of 61,215,804 dollars in order to allow for reimbursements to troop contributors and in the light of the cash shortage of the combined Forces, and requests the Secretary-General to provide an updated report in one year;

11. *Decides* to defer consideration of the treatment of the increase in staff assessment income of 776,343 dollars in respect of the surplus referred to in paragraph 10 above;

12. *Emphasizes* that no peacekeeping mission shall be financed by borrowing funds from other active peacekeeping missions;

13. *Decides* to include in the provisional agenda of its fifty-seventh session the item entitled "Financing of the United Nations Protection Force, the United Nations Confidence Restoration Operation in Croatia, the United Nations Preventive Deployment Force and the United Nations Peace Forces headquarters".
